Film School

THE NEW ZEALAND FILM AND TELEVISION SCHOOL

The New Zealand Film and Television School is one of the only industry-run schools of its kind in New Zealand. It is unique with its visiting tutor programme where tutors come into the school direct from industry to teach all there is to know about film. With the recent shift to digital, the Film School boasts a state-of-the-art Arri-Alexa camera for training and filming projects, a high-end digital camera closest to 35mm film and in line with cinema and feature filmmaking.

Located in Wellington city, the Film School offers students a one year, full-time, Certificate in Introduction to Film and Television Production.

The Film School's aim is to turn out producers, directors and technical crews of the future; graduates who are well

prepared to make a career in film and/or television. A testament to the high calibre expected from students, end of year films produced by students have screened internationally at film festivals, and at the New Zealand International Film Festival.

The New Zealand Film and Television School is a subsidiary of Whitireia New Zealand Limited.

The New Zealand Radio Training School is located at both our Wellington city and Auckland city campuses. It offers students complete hands-on training in radio.

Owned by Whitireia New Zealand Limited, the New Zealand Radio Training School is one of the most respected radio training schools in New Zealand.

Two programmes of study are offered; the National Certificate in Radio (Foundation Skills) and the Diploma in Radio Journalism (Broadcasting), covering all the things students need to know for a career in commercial radio including; copywriting, audio production, radio sales, podcasting, promotions, multimedia, (video, photography, blogging and social media) and live broadcasting. Students can choose from a range of electives including radio documentaries, creative broadcasting or industry internships (where available).

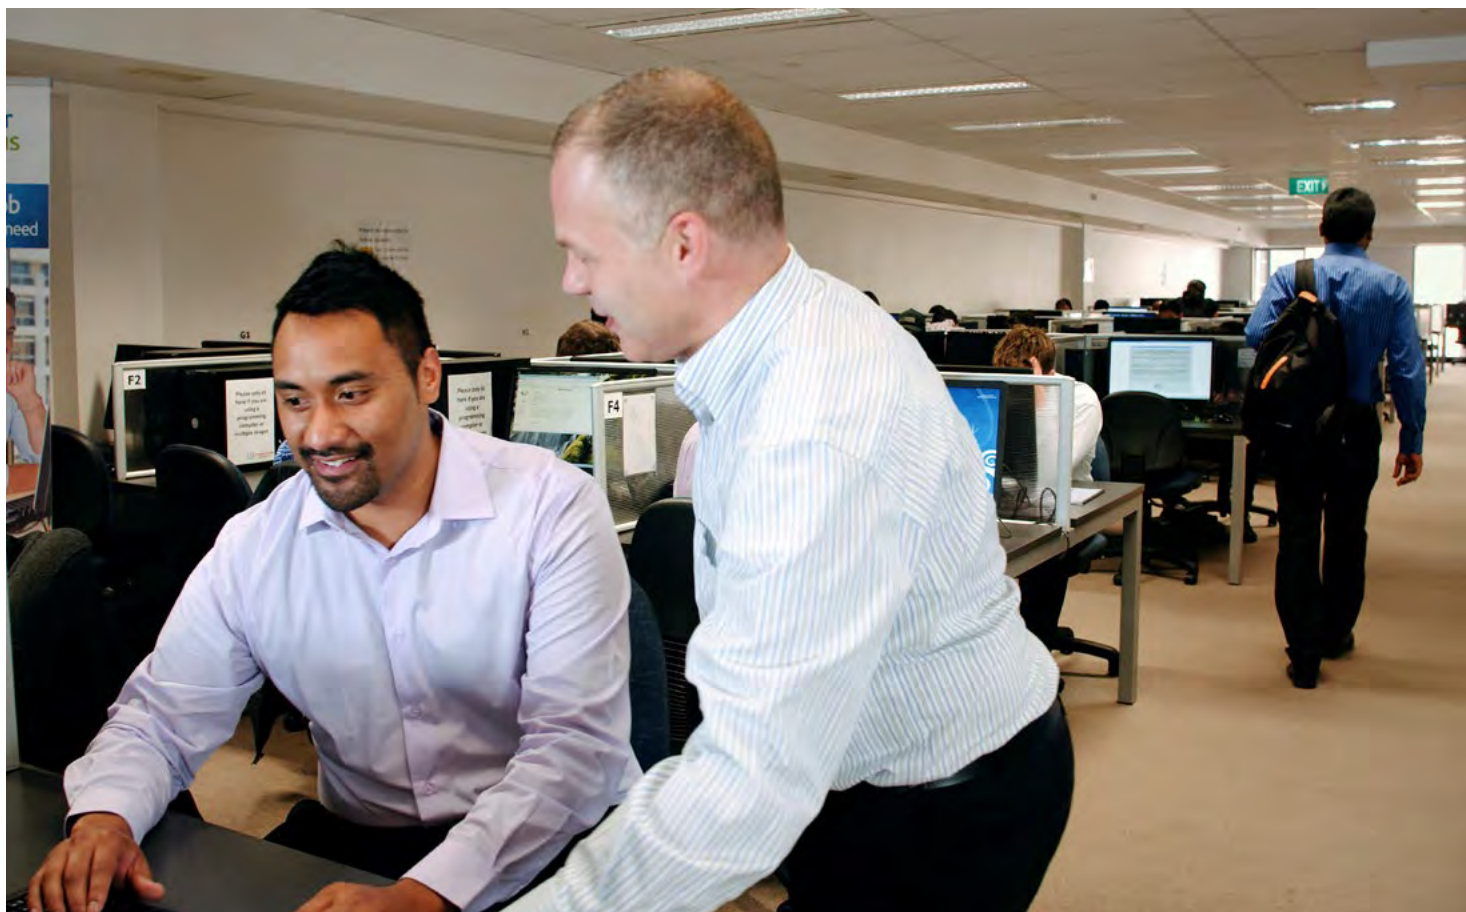

Students not only study in a classroom but also in purpose built studios designed to provide a complete radio experience. Professional tutors all with comprehensive backgrounds in radio offer student's highly interactive learning opportunities through practical hands-on study.

The New Zealand Radio Training School keeps pace with industry, and in-turn offers training in tune with industry requirements.

Counselling

A confidential, seven-day, 24-hour self-referral counselling service is provided off-campus by Vitae. Vitae is a professional company that provides Whitireia students with access to a team of independent counsellors and psychologists throughout New Zealand. Students are entitled to three free counselling sessions per year.

Financial Support

Confidential budgeting advice is available. This service also provides information on grants, scholarships and emergency funding.

Health

A health nurse is available by appointment at our Porirua campus. This service is free. Other health services available include a doctor, physiotherapist, massage therapist and hearing therapist. There may be a minimal charge for some of these services.

Medical appointments can be arranged for students studying at our campuses in Wellington, Kāpiti and Auckland.

Information & Enrolment

Our Information & Enrolment team are the first point of contact for prospective and current students. Located at our Porirua campus, the team provides programme information, assistance with our enrolment process, student ID cards and fee payment facilities.

Staff are available at our other campuses to help with any questions you may have about any of our programmes, or studying with us.

Library

Our library provides access to a wide range of resources including books, journals, audio-visual items, newspapers, many online databases, ebooks, study spaces and computers. Information skills training is available. A distance library service is provided to students studying at a distance or only on campus for a short period of time.

Polyshop

Prescribed texts (at 10% discount) and second-hand texts are available at the on-site Polyshop at our Porirua

campus. A full range of stationery at very competitive prices, greeting cards, overseas calling cards and a range of other items are available for sale also. We also offer mobile phone recharging facilities and we are a dry-cleaning agency.

Student Hub

The Student Hub is both a service and a place for students. The service provides free and independent advocacy and advice for all students. It is also a place to get involved in the student voice; where students can put forward their ideas about the teaching and learning, events and activities or anything to do with their experience at Whitireia.

At the Porirua campus, it is where students can relax, get a free hot drink, eat, browse second hand clothes, grab a free book, get sports equipment, laminate or bind a presentation, use a computer, use a phone or just talk to someone who will listen.

Student spaces are available at all our campuses. Students at other campuses can access the Student Hub services via phone, email or text or in person at our Porirua campus.

Students with Disabilities

The Academic Advisor (Accessibility) works with students and staff to help remove barriers to learning for students with a disability.

Pacific Students

Our Pacific Success Advisor provides academic, cultural and pastoral support to Pacific students. Programmes and networks have been developed to support and enhance the success of Pacific students.

Ako Ake Café

This is a dedicated study space for Māori and Pacific students, located at our Porirua campus.

Young Students

Moving from secondary school to a polytechnic can be a big change. Whitireia have set up a number of support services to help young students make a successful transition.

Frequently asked questions

How do I find out about programmes?

Information about what we offer can be found by checking out www.whitireia.ac.nz, by calling us on 0800 944 847 or by visiting any of our campuses.

How do I apply to enrol?

Apply to enrol either in person, online or by post.

What do I need to provide?

A completed Application to Enrol form, your birth certificate or passport plus any additional entry requirement information (such as health declaration, references, police vetting, criminal convictions declaration, record of learning, academic transcripts/records) if applicable.

Why do we ask for your birth certificate or passport?

We need proof of your legal name, date of birth and citizenship or residency. If your name has changed you will also need to provide proof of the change e.g. marriage certificate.

Can I bring a photocopy of my birth certificate?

Yes, if it has been verified (signed) by a solicitor, Justice of the Peace (JP) or kaumātua. We can photocopy and verify your original documents for you.

How do I get a student loan or allowance?

Apply online at www.studylink.govt.nz, you should do this well before your programme starts so it's processed in plenty of time.

How long does it take to confirm my enrolment?

If you've brought in or sent us everything we need, it will usually take between two and five working days.

When do I pay my fees?

After you have been offered a place on your programme and you have confirmed your acceptance of this, you can pay your fees.

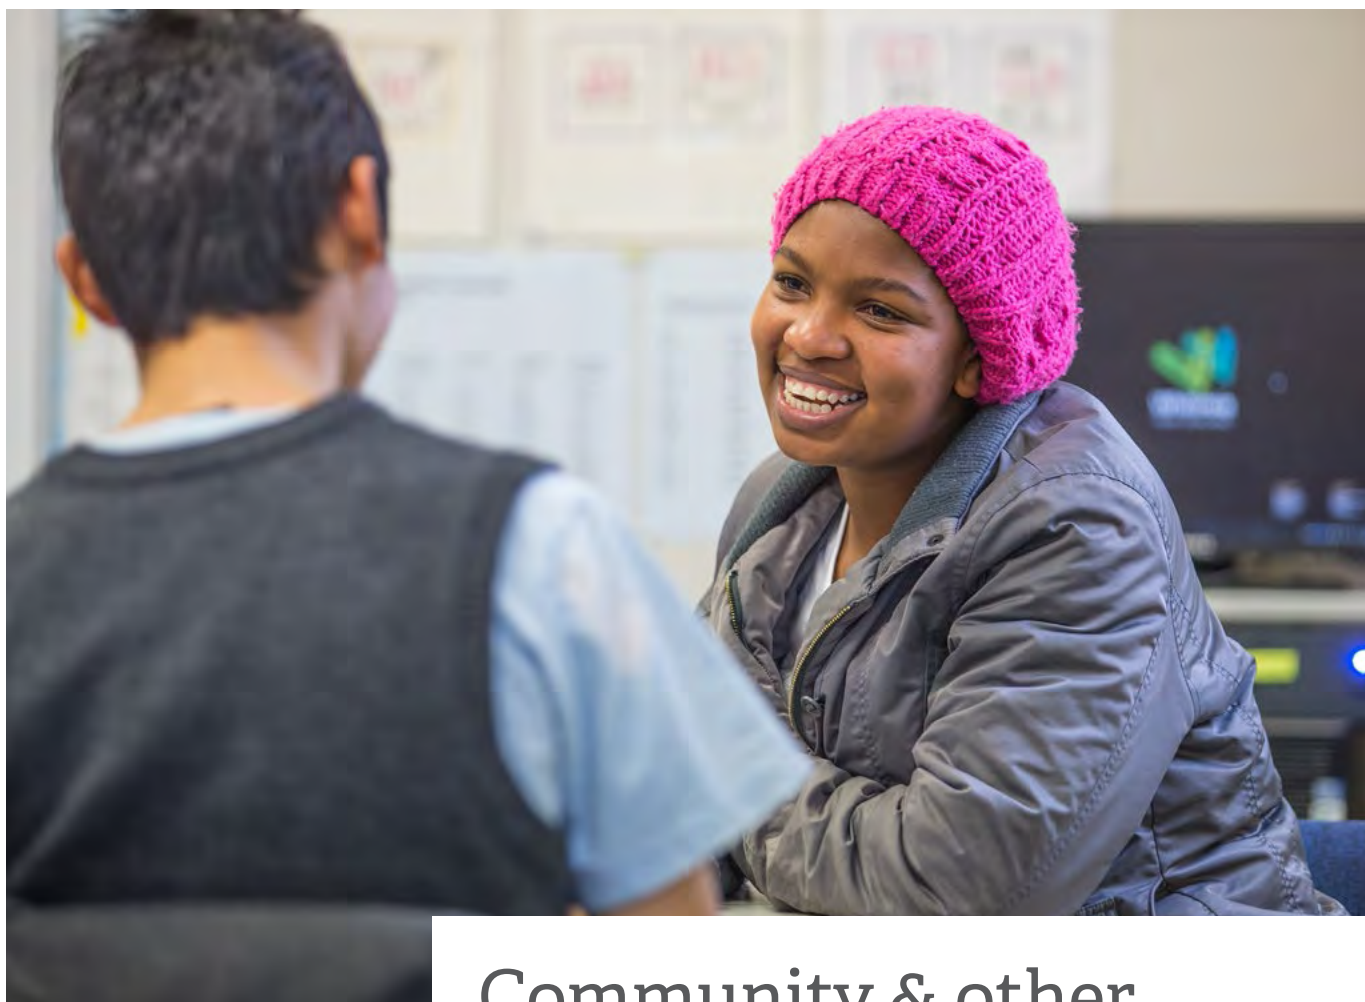

How and when do I get my student ID card?

After your enrolment has been completed, visit our Information & Enrolment team and they'll organise it for you. You will need a student ID card to print, photocopy, access the library, the computer networks and other student support services at Whitireia.

Who do I contact if I have any queries?

14. Enrolment information

Disclaimer

Whitireia reserves the right to cancel or postpone any of the courses and/or programmes and shall not be liable for any claim other than the proportion of course/programme fees which the cancelled portion bears. Some courses and programmes may be dependent upon formal approval, Ministry of Education funding allocation and number of enrolments.

Privacy information

Whitireia collects and stores information from this form to comply with government statutes and regulations. It may also be used to select students for qualifications and for internal reporting. Information may be sought from other educational organisations for the purpose of verifying academic records.

When required by law, we will release information to government agencies as directed. Information may be disclosed to other agencies, such as the Ministry of Education, Audit New Zealand, New Zealand Qualifications Authority, Skill New Zealand, Industry Training Organisations, industry licensing and registration bodies, secondary schools, other tertiary institutions and providers of work experience, where applicable. Whitireia publishes lists of graduates.

At certain times, Whitireia captures photographs and videos of its students. Signing this form gives Whitireia the right to use these photographs and videos in any of its marketing material, including, print and online. Any photographs and videos taken will only be used in a tasteful, relevant and culturally sensitive manner.

In signing this form, you authorise such disclosure. Whitireia observes the general conditions governing the release of information. You may see information about you and amend any errors.

15. Checklist

To ensure we are able to process your application, make sure you have:

- ☐ completed **all** required sections of this form
- ☐ attached **all** necessary documentation to confirm your citizenship and identity
- ☐ signed the declaration (section 15)
- ☐ attached any required entry documentation, e.g. CV or academic transcript

Verified copies of original documents are acceptable. A verified copy is a photocopy of the original document, which has been signed by a solicitor, Justice of the Peace (JP) or kaumātua as being a true copy of the original. If you are applying to enrol in person, original documents will be photocopied and returned to you.
